**WHAT WOULD IT BE LIKE IF...**

- Your kids knew to begin saving to create wealth?
- There was an end to the demand for more “stuff?”
- Your child came to you with news of their growing investment account?

The **Grow Your Money Club** provides the setting for building strong understandings and effective habits of handling our money.

**WHY CHOOSE THIS CLUB?**

The club includes weekly games, guest speakers, field trips and a student-created business. Each student will use the money generated in the club to launch an **individual investment account**.

Using the **Grow Your Money** financial literacy curriculum, students will develop personal money management habits and powerful new skills that include:

- Investing, Spending and Donating
- Learning how choices with money affect their financial future
- Leadership as opportunity
- Powerful self-expression
- Team building and Mentoring
- Understanding personal strengths
- Using Money to Make Money
- All while having **FUN!**

Somewhere - someone is **sitting in the shade today**  
because someone **planted a seed long ago.**
