

SINGING AND VOCAL ACTIVITIES

at

Kirby Hall School 2008-09

Singing is the most natural form of music-making for us humans. Whether we sing alone or with a group, singing is FUN !!!

But, did you know that singing also:

- **Produces health benefits like better posture, better oxygenation of the blood and that, through the release of endorphins, is a mood-enhancer and anti-depressant?**
- **Encourages the powers of concentration, coordination and self-discipline, all of which can have a carry-over effect in other school subjects?**

Vocal lessons for individual students or small groups, as well as (separate) choral activities for Kinder students and Middle/Upper School students are being offered by Cynthia Dyre Moellenhoff, an experienced vocal pedagogue, singer and choir director who received her M.M. from UT and has returned to Austin to work on a doctorate. (Private voice lessons for adults are also available.)

Fees for Voice Lessons and Choral Activities at Kirby Hall School 2008-09

**Individual Voice lessons – Grades (6-12):
\$30.00 per ½ hour lesson or \$425.00/semester**

**Group voice lessons (2 or more students, grades 6-12)
\$25.00 per ½ hour lesson or \$340.00/semester**

***Penguin Singers* – Kinder choir
\$350 per semester
meets Weds. 1:30-2:20pm**

I can't wait to start making "joyful noise" with your children! Please feel free to call or email me if you have any questions or concerns!
