

Kirby Hall School Tuition Plan Selection
*This form is to be turned in to the Kirby Hall School Office
when paying the enrollment fee*

_____ Name of Student(s) _____ Grade(s) Entering

My child(ren) is enrolling in Kirby Hall for the 2010/2011 school year. I understand that to enroll, I need to remit \$500 by or on March 1. Enrollment costs will be \$700 after March 1 (\$500 of which will be applied toward tuition).

Kirby Hall offers two tuition plans.
Please select the method of payment your family will use for tuition.

1. We will pay Kirby Hall tuition for the year by July 1, 2010
2. We will pay tuition monthly, July through May, using the FACTS Tuition Management System.

If using FACTS:

- (a) I am currently using the FACTS plan. I will inform the school by email (claire.lachance@khs.org) if there are any changes.
- (b) I am enrolling for the first time with FACTS. I will enroll in the FACTS Tuition management System by going to the school's website Registration page and selecting "facts-e-cashier" between April 1st and April 30, 2010. If enrolling after April 30, 2010, I will enroll in FACTS within a week from submitting the enrollment fee.
- (c) I want to pay for Extended Day Care* with my FACTS Tuition payment. I have circled my selection below.
