

To start off the 30<sup>th</sup> Anniversary of the founding of Kirby Hall School, and to start the on-going fundraiser for the future generations of students, we replaced the existing concrete pathway with clay brick pavers. This pathway is now complete but the chance to have a brick paver engraved continues. January through March each year you have the opportunity to order a brick paver engraved to remember someone very close to your heart. The pavers are the brick red color of Kirby Hall School building. There are three sizes of pavers forming a pattern on the pathway. We are offering the chance for you to leave a mark at Kirby Hall School. With a donation you will be able to write a message on the pavers which are expected to last 100 years!
